About the artist

Having sculpted Marquette's of HRH Princess Anne, HRH The Duke of Cambridge and HRH The Prince of Wales mounted in ceremonial dress at the Trooping of the Colour, each of which is in Her Majesty Queen Elizabeth II's private collection, Caroline was awarded the commission, by a leading National Institution, to sculpt a life size bronze of Her Majesty mounted on Burmese at the Trooping of the Colour, to commemorate the 70th Anniversary of Her Majesty's accession to the throne.

Permission was granted to sculpt two further copies of this bronze which we are honoured to be able to offer to private collectors or to sponsors to enable their prominent public or private display.

Every detail of military dress, with order insignias and medals, tack and saddlecloth is replicated with exceptional precision.

Previous life size commissions include Her Majesty Queen Elizabeth, The Queen Mother's racehorse 'Special Cargo' for Sandown Park race course, "Double Trigger" for Doncaster racecourse and Grand National winner 'Lord Gyllene' for his owner.
